Subject: Moseley Road tram depot video

John,

Can you have a look at this video? <http://www.youtube.com/watch?v=yv2Yxk5Eegg>

This is of a statutory listed building in Moseley at 582 Moseley Road.

I have raised the issue of the advertising billboards on the front and the quality of works taking place inside with the council several times, but to no avail. Is there anything you could do?

Councillor Martin Mullaney
