**Ref: MU00526: Building work on the offices in front of 582 Moseley Road, Moseley**

Would it be possible to investigate and advise on the building work that has begun on the offices at the front of 582 Moseley Road, Moseley.

One of the conditions of the planning application agreed on the 16<sup>th</sup> December 2004 was that they had to provide details of customer car parking agreed with the skateboard park operators.

I have spoken to the skateboard park operator, Keith Marsden, and no such details have been agreed.

Yours sincerely,

Councillor Martin Mullaney
