Ref: MU00727: Stop Notice at 582 Moseley Road

Would it be possible to issue a Stop Notice on the front offices at 582 Moseley Road – owned by Safdar Zaman of 1 Oxford Road, Moseley. – to prevent any building work starting on Monday 13th June

The owner of the skateboard park to the rear of these offices informs me that Mr Zaman has told him that he intends to start work on the building on Monday 13th June. Building materials have been moved onto the site over the last few days.

Planning permission to convert these buildings into offices had a planning condition attached, requesting the owner to have a legal agreement with the proprietor of the skateboard about on-site parking before starting any work. The owner of the skateboard park informs me that no such agreement has been reached.

Could you also investigate why my Councillor Request mu00642 (issued 5th April 2005) has not been actioned? It requested enforcement action against the 3 huge advertising boards erected in front of this listed building.

Yours sincerely,

Councillor Martin Mullaney
