Our Ref: mu01582: demolition of internal walls at 582 Moseley Road, Moseley

The owner of the former tram offices at 582 Moseley Road, Moseley – statutory listed grade II – has demolished a major original internal wall on the ground floor and a large section of the floor of the first floor. This is at the south end of the building.

I was able to view this by standing on a wall on Trafalgar Road and overlooking the building site boarding around the boundary.

Could you investigate what is going and take the appropriate enforcement action?

Yours sincerely,

Councillor Martin Mullaney,
